Astad Royal Travelling Troupe

First Story House of Rades

Story Make... My Tales

The snake spoke to the brute female knight.
"Who are you?"
"Who! are you!"
THE FEMALE KNIGHT DON'T ANSWER AND APPROACHED THE SNAKE WITH HER SWORD HELD HIGH.
AND SHE SPOKE AS SHE THRUSTED HER SWORD INTO THE SNAKE'S NECK.
"IF YOU WOULD HAVE JUST SWALLOWED ME IMMEDIATELY, I WOULD HAVE NOT BEEN ABLE TO DO ANYTHING..."

WHAT A BUNCH OF COW SHIT
SHE STABBED ME WITH A SPEAR, NOT A SWORD.
HUH...
LAPHER, YOU WEREN'T SLEEPING YET?
HOW DO YOU EXPECT ME TO SLEEP WITH ALL THIS THUNDER GOING ON?
...SERIOUSLY, IT WAS JUST GETTING GOOD. DON'T INTERRUPT HIM.
IT'S SO NOISY EVERY NIGHT WITH ALL THE THUNDER AND RAINING...
AND YOU'RE NOT EVEN FROM PRAVEN.
DON'T TELL A STORY IF YOU DON'T KNOW THE FULL DETAILS ABOUT IT.
WELL, EITHER WAY...

SINCE ALL THE HUMAN ANTHOLOGIES I USED HAVE BEEN LOST, IT DOESN'T MATTER WHETHER YOU'RE WRONG OR NOT!

ANNOYING HAG...

I C I N M Y H E A D.

LAFNER, A PLAYWRIGHT SHOULDN'T SAY SOMETHING LIKE THAT.

SPEAKING OF WHICH, I'VE NEVER HEARD OF YOU TALKING ABOUT YOUR HOMETOWN, OLD MAN... DON'T YOU HAVE SOME STORY ABOUT IT?

AH... I HAVE STORIES... BUT IT'S ALL SO FAMOUS... DOESN'T EVERYBODY KNOW ALREADY?

TELL ME! TELL ME! I'VE NEVER HEARD A STORY ABOUT SEGLEN.

IS THAT SO...? SPEAKING OF WHICH, I DON'T THINK I'VE TALKED ABOUT THAT STORY SINCE COMING INLAND...

OF COURSE. MOST OF THE PEOPLE ON THE CONTINENT LOOK DOWN ON PEOPLE FROM SEGLEN, BECAUSE OF THAT STORY.

LAFNER!

WELL... THE START OF THIS STORY IS FROM A LONG TIME AGO.

SEGLEN DOESN'T HAVE A LONG HISTORY LIKE OTHER COUNTRIES.

SEGLEN WAS DISCOVERED BY 3 EXPLORERS, AND THE COUNTRY WAS BUILT.

Captain from Segleh

Navigator from Segleh

and the First Male from Segleh

It's because these three created the country. Segleh is a Triumvirate run by three noble families.

They were my ideas to start the process of finding what was the navigation.

BADM? GREENA BADM?

YEAH. YEAH. GREENA FROM THAT FAMILY'S BLOODLINE.

As the nation took its shape, they divided their roles.

The First Male and the crew became generals and soldiers.

The Captain took off the captain's hat and donned a crown and instead of writing the navigation diary, he took care of the country.

The Navigator, who actually used to be a storyteller researching books to study on top of each other, became the Prime Minister who calculated all the revenue and expenditures of the country.

One day, the Prime Minister had a thought while working through a ledger.

Didn't he board a ship to get away from the life of designing a castle all locked up in a dark room?

After 2 years, when Badmi's son became twenty, he handed down the position of Prime Minister to his son and headed out to the sea with a small crew.

Then two to three months later, he was found all ragged by himself in the South Jegten Island.

His ship and the crew were nowhere to be seen, so his friends and families asked what had happened.

Badmi explained what he saw with an expression of fear.

The God of ocean was fighting a gigantic monster with a spear. It wasn't three tips.

The God of ocean was fighting a gigantic monster with a spear. It wasn't three tips.

There was no comparison.

And it was not like a ship was thrown by a storm or tsunami.

Every time the god cut off a snake from the monster, it crashed into the ocean.

And every time it crashed into the ocean, a gigantic wave assaulted the ship.

The ship was smashed on the fourth wave.

And I barely escaped alive riding on a piece of wood.

I saw God's chief escort Ei Sen in my dreadful nightmare.

"Your sour fate, a thirty-third to still keep you alive, is not through here."

I have only seen the scene from behind of the God finished expelling.

When I came to, I was sailing on the ocean.

...

...

BULLSHIT.

...

YOU SHOULD MAKE YOUR LIES MORE BELIEVABLE.

IT'S A MYTHOLOGY AFTER ALL, LAFNER. DON'T BE SO CRITICAL.

GRAMPS, IS THAT THE END OF THE STORY?

NO! THE STORY IS JUST STARTING!
